

SPONSORSHIP ANNOUNCEMENTS GUIDELINES.

The objective of sponsorship is to provide an opportunity for members of the community to support the Station in a tangible way and in doing so, to provide a source of income for the Station.

All sponsorships will be publicly and prominently acknowledged but the nature and frequency of such acknowledgements is governed by the terms of the Broadcasting Services Act.

- Sponsorship announcements will specify the name, address, and general nature of the business or other activity of the sponsor and will include a linking tag, such as “Station sponsor”, “...are happy to support”
- Community Radio is limited to a total of 5 minutes of sponsorship announcements per hour.

Heritage FM Inc. also has some in-house rules.

- The airplay of sponsorship announcements will be decided by the Program Scheduling Team (PST)
- All sponsorship announcements are subject to a Sponsorship Agreement which will be signed by the client and an authorised representative of Heritage FM Inc. and which will specify the agreed content of the sponsorship announcement and the frequency of its airplay in return for the agreed financial support according to the published rate card, or by a special arrangement as approved by the Committee of Management.
- The Sponsor’s preferred time slot or program context is taken into account in airplay decisions but all programming decisions rest with the PST, subject to appeal to the Committee of Management.
- GST is not included on the official rate card
- Production costs are extra unless specified in the agreement
- Each spot represents approximately 30 seconds of sponsorship
- Individual packages based on Company budget can be arranged and approved by the Committee of Management.
- Recovery costs of any outstanding monies to be paid by Sponsor
- Cancellations will only be accepted if notified in writing within 28 days
- All payments to be made in full prior to broadcast of announcements, in monthly or previously agreed allotments.

Yours faithfully

Ivan Miles
Chairman
Committee of Management

Heritage FM Inc.
